Re: Application for License/Registration Renewal

Dear Dr. McMahon:

The Board of Medical Licensure and Discipline considered your application for License/Registration Renewal at its meeting held on 12 January 1994. You were informed by letter dated 12 August 1993 of the Licensing Committee's recommendation to deny your application and the reasons for the denial recommendation. You were also informed that you were entitled to a formal hearing which would be made available to you at our request. You have failed to request such a hearing. Accordingly, the Board has voted to deny your application.

The reasons for this denial are that you have violated Rhode Island General laws 1956, as amended (reenactment 1987) 5-37-5.1 (21) (23).

Sincerely,

Bruce McIntyre
General Counsel
